

# The Mesing Legacy Society

The Mesing Legacy Society is a way for Worship Anew to recognize those who wish to support the ministry in your legacy plans, such as your will, your retirement account, an insurance product, a Charitable Gift Annuity, your home, or some other option

## HOW DOES IT WORK?

Carl and Helen Mesing were faithful servants of the Lord and among the first financial contributors to the broadcast ministry of Worship Anew. The Mesing Legacy Society was established to celebrate individuals and families who seek to share Christ's love into the future by supporting the ministry of Worship Anew with a gift from their estate plans, including provisions in their wills, trusts, retirement plans, insurance policies, etc. We only require notification that you are including Worship Anew in your estate to enroll you in The Mesing Legacy Society.
